## EDUCATION

### Reynolds Secondary School GRADE 9-12

2019-2023

In my time at Reynolds I have participated in many bands, choirs and musicals. I have started my own band as well and work hard to balance my extra curricular with my academics.

I have volunteered for many music fund-raisers such as the bottle drives and tree chipping.

### Lansdowne Middle School GRADE 6-8

2016-2019

Whenever there was a chance to add creativity for a project, I always look at how I can go above and beyond. As a part of the school band and choir, I participated in the 2018 Whistler Band Tour, performing for 4 days.

## INTERESTS AND HOBBIES

- I enjoy building things and figuring out how things work
- Camping and fishing
- Travel
- Reading
- Music
- Singing
- Spanish Guitar
